

1 Inch Fuel Nozzle Trigger Lock Gravity Flow Automatic Nozzle

Our Product Introduction

For more products please visit us on refueling-equipment.com

Basic Information

- Place of Origin: China
- Brand Name: Virette

Product Specification

- Features: Trigger Lock, Splash Guard, Automatic Shut-off
- Temperature Rating: 0-150 Degrees Fahrenheit
- Warranty: 1 Year Limited Warranty
- Component: Fuel Injection Device
- Size: 5.5 Inches
- Hose Length: 10 Feet
- Quality: Guranteed
- Nozzle Diameter: 1 Inch
- Highlight: **1 Inch Fuel Nozzle Trigger Lock, Trigger Lock Gravity Flow Automatic Nozzle, 1 Inch fuel dispenser nozzle**

Product Description

Reliable Trigger Lock Fuel Nozzle with 10 Safety Hose

Product Description:

Our Fuel Nozzle is made of high-quality aluminum, which guarantees durability and resistance to wear and tear. This material is also lightweight, which makes it easy to use and maneuver. The Fuel Nozzle is specifically engineered to serve as a fuel injection device, ensuring accurate and reliable oil delivery every time.

Our Fuel Nozzle boasts a range of certifications that attest to its safety and quality. These certifications include UL, CSA, and CE, which guarantee that the Fuel Nozzle meets the highest standards of safety and performance.

Our Fuel Nozzle is designed with the user in mind. It features an easy-to-use Oil Delivery Spout that ensures precise and controlled fuel delivery. The Fuel Dispenser Nozzle is also equipped with a Diesel Fuel Gun that facilitates the delivery of diesel fuel.

Whether you are a professional mechanic, a DIY enthusiast, or a fuel delivery service, our Fuel Nozzle is the perfect tool for you. Its compact size, durable material, and advanced features make it a must-have for anyone who needs to deliver fuel in a safe, efficient, and reliable manner.

Features:

Product Name: Fuel Nozzle

Certifications: UL, CSA, CE

Material: Aluminum

Cylinder: Multi-cylinder

Size: 5.5 Inches

Quality: Guaranteed

Gasoline Hose Nozzle, Gasoline Hose Nozzle, Gasoline Hose Nozzle

Technical Parameters:

Flow Rate	10 Gallons Per Minute
Material	Aluminum
Model	11A
Size	5.5 Inches
Certifications	UL, CSA, CE
Quality	Guaranteed
Hose Length	10 Feet
Warranty	1 Year Limited Warranty
Temperature Rating	0-150 Degrees Fahrenheit
Component	Fuel Injection Device

Applications:

The Virette 11A Fuel Dispenser Nozzle is designed with several features that make it convenient and safe to use. The trigger lock ensures that fuel cannot be dispensed accidentally, preventing wastage and possible hazards. The splash guard minimizes spills and splashes, keeping the fueling area clean and safe for both the operator and the environment. The automatic shut-off feature ensures that the nozzle stops dispensing fuel once the tank is full, preventing overflows and spills.

The Virette 11A Gas Pump Spout is suitable for a wide range of occasions and scenarios. It is ideal for use in gas stations, petrol stations, and other fuel dispensing facilities. Its compact size and ease of use make it suitable for use in small fuel dispensing stations, as well as large, high-volume fueling operations. It is also suitable for use with a wide range of fuels, including gasoline, diesel fuel, and kerosene.

The Virette 11A Petroleum Flow Nozzle is a reliable, durable, and easy-to-use fuel dispenser nozzle that is suitable for a wide range of fueling applications. Its compact size, high flow rate, and automatic shut-off feature make it an ideal choice for busy fueling stations, while its splash guard and trigger lock features ensure safe and clean operation. Whether you are operating a small petrol station or a large gas station, the Virette 11A Fuel Dispenser Nozzle is an excellent choice for your fueling needs.

Customization:

Our customization services allow you to add your own brand name to the nozzle and make it truly unique to your business. Whether you need a Gasoline Hose Nozzle or a Diesel Fuel Nozzle, we can customize it to meet your specific needs.

Packing and Shipping:

Product Packaging:

Each fuel nozzle comes in a sturdy cardboard box with foam padding to prevent any damage during transportation. The box is labeled with the product name, model number, and company logo.

Shipping:

We ship our fuel nozzles through trusted and reliable carriers such as FedEx and UPS. The shipping cost will be calculated based on the destination and weight of the package. Customers will receive a tracking number to monitor the delivery status of their package.
